**Return for a Refund or to Exchange an item**

If you are not completely satisfied with your purchase, simply return the item or items to us in their original condition within 14 days of receipt. We will issue a full refund on receipt, or exchange the item for another if preferred.

Some products are non-returnable as they have a limited shelf life. These products are clearly marked with a '+' next to the product name.

The item is your responsibility until it reaches us. For your own protection, we recommend that you send the parcel using a delivery service that insures you for the value of the goods.

We are able to accept delivery for these Monday - Friday excluding public holidays.

Please note, as a busy commercial nursery, we are unable to accommodate any callers on site for returns/exchanges, our set-up prohibits this from being a safe and practical option.

Please note that due to the nature of our products - plants, pot sizes and dimensions may vary between seasons - so do not be alarmed if your trees have no leaves in winter, your roses have been pruned or topiary freshly clipped, or if your plants arrive in different sized containers at different times of the year. If you have any questions, do not hesitate to contact us, you may also like to check over our FAQ's which answer many commonly asked questions.

Please include the page above with your return, detailing why you are returning the goods and your order number, and send this along with the original invoice and parcel of goods to:
